ASSIGNMENT AND AGREEMENT

For value received, we, Lior Shabtay of Ganei Tikva in the State of Israel and Benny RODRIG of Lexington in the State of Massachusetts, USA hereby sell, assign and transfer to Avaya Communication Israel Ltd., an Israel company, having an office at Atidim Technologies Park, Bldg. 3, Tel Aviv 61131, Israel and its successors, assigns and legal representatives, the entire right, title and interest, for the United States of America, in and to certain inventions related to **POLICY ENFORCING SWITCH** described in an application for Letters Patent of the United States, executed by us of even date herewith, and all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions; and we also concurrently hereby sell, assign and transfer to Avaya Communication Israel Ltd. the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

We authorize Avaya Communication Israel Ltd. to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Avaya Communication Israel Ltd. to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

We request that any and all patents for said inventions be issued to Avaya Communication Israel Ltd. in the United States and in all countries foreign to the United States, or to such nominees as Avaya Communication Israel Ltd. may designate.

We agree that, when requested, we shall, without charge to Avaya Communication Israel Ltd. but at its expense, sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.

In addition to making the above formal assignment, we confirm:

(a) The invention was made in Israel;
(b) Each of us was employed by Avaya in Israel at the time of the invention;
(c) We have properly notified Avaya of the invention as required by Section 131 of the Israel Patent Law.

(d) The invention was arrived in consequence of and during the period of employment and thus is a "service invention" as defined in Section 132(a) of the Israel Patent Law; and

(e) The invention is the property of Avaya as a matter of law under said section 132(a).
